Dave Stack,  
Hiring Manager  
American Data Technology, Inc.  
100 Keybridge Dr,  
Morrisville, NC 27560

Dear Mr. Stack

Thank you for taking the time to meet with me regarding the web designer position. It was a pleasure speak to you Wednesday, March 22, and to learn more about American Data Technology, Inc.. I was impressed with the projects you have created at American Data Technology, Inc. and hope to be a part of the amazing team.

After learning more about your company, I am confident that my HTML, Wordpress, and Javascript skills will help me to fit well at your professional team. I forgot to mention during the interview, that I earned certificates from HubSpot academy related to SEO methods, which is requirements for this job, and also I have strong attention to detail, and strong solve problem as well.

Thank you for your time and exciting opportunity to meet the team. Looking forward to hear from you. My phone is 919 355 8390, my email is ofeterovskaya@my.waketech.edu.

Sincerely,

Oksana Feterovskaya.
